Principal's Report

Enrollment is at 1088. Many students leaving and new students moving in this year. We did not get any new teachers since the enrollment level stayed close to same. 1st, 3rd, and 5th grades lost teachers, but the feedback on the 3 new replacement teachers has been positive. District and governing board will be reviewing cuts/changes. Attendance is still up. Students' behavior is better overall and sport teams doing well. New lunch schedule working well.

Vice Principal thanked the MVS PTO for the donation of cotton candy to the teachers.
