

**Mountain View School PTO, Inc.**

18302 W. Burton Avenue  
Waddell, Arizona 85355

January 1, 2010

I am writing to you on behalf of the Mountain View School PTO. Our school is located in the Cortessa neighborhood just minutes from the entrance to the White Tank Mountain Regional Park. Our school services kindergarten through eighth grade students and is part of the Dysart School District. Our school is three years old with an enrollment over 950 students. Mountain View has recently earned the highest rating, of "Excelling" by the Arizona Department of Education.

The Mountain View PTO has planned an awesome year for our students and community! Creating a school climate and atmosphere that invites your support and participation is critical to the success of children and their education. Our goal is building community involvement and creating partnerships to enhance the educational experience for our students.

We are asking you to join us in supporting children, education, and our school community. Your donation will support the annual "wish list" created by students, staff and community members. The wish list includes a variety of items not included in the school budget such as educational programs and resources, playground structures and items to enhance our school. We are requesting donations of \$250.00 or more for a Platinum partnership, \$100.00 or more for a Gold partnership and \$50.00 or more for a Silver partnership. The School will recognize your donation on our Mountain View PTO website, in our monthly e-mail newsletter, at school events and the MVS slideshow.

On behalf of our students, staff and the PTO board, I would like to thank you for your support.

Sincerely,

Partnerships Coordinator

# *PTO Partnership Levels*

Mountain View Partnerships is a great way to help the PTO provide the very best for our students and staff. Each year we depend on contributions from Families and Businesses like you to help aid in supplementing our school supplies, equipment and special events. Our Family and Business Partnerships are a great way to 'Get Involved' in our school.

Each year our students, staff and community create a wish list of capital project items that are not covered by the school budget. It is our goal to help make those wishes come true! A partial list of capital project goals for the current school year include:

- Swings and Playground Structures
- Docu Cams
- Response Clickers
- Electronic Marquee
- Guest Speakers
- Classroom Support

Below are the different levels of partnerships that you can contribute to and the benefits of each. Please read over each one and complete the application form on the reverse side of this sheet to start helping Mountain View School today!
